Training Activities and Q & A: President

Flagged Officials at Registration:

At a recent NJSIAA exec meeting, he made the statement of how the Southern Chapter would handle flagged officials – we will not be responsible for review/reinstating their cases but rather forward the matter to NJSIAA. Other chapters that were present agreed with this decision. Future background checks will be a year to year check, not birth to present.

Registration:

You can register with NJSIAA now- it opened in April. X Country must register by July1st; winter track-Nov 1st; spring track Jan 1st. If you have not completed registration on time, you will not be given assignment. There is no late registration!!! Flyers with directions for registering will be handed out after the meeting.

Q/A Followed:

- 1. What is and is not a foul in High jump.
- 2. Officials were made aware that some high schools are coaching a South African method for shot. It is not legal (as demonstrated by Ed Menold).

Adjournment by president.

Respectfully Submitted,
